We can do future meetings but at this point would be great to have a meeting with you this Friday in NYC. Doctor could call in or we will call him separately

The present situation can be resolved with Saint-Gobain and Honeywell bearing all relevant costs if the Mayor will simply cease his efforts to "low ball" the matter. Saint-Gobain's Attorney informs me that Saint-Gobain will go no further than paying for a GAC filter system because that is all that the Mayor has demanded of Saint-Gobain.
